

INFILL EXTENSION AND NEW ENTRANCE

An opportunity exists to tender for an infill extension and new entrance in the region of 221 square metres to our Cannock Wood remanufacturing facility. We anticipate this project to be in the area of £170k.

Parties interested in applying for the above or to be considered please contact Alan Richards (Purchasing Manager) via email alanrichards@atp-group.com . Please ensure that all applications demonstrate in full the company's ability to satisfy timeline, professional competency. Upon receipt of interest it is anticipated the interested parties are reasonably expected to sign and return a full corporate non-disclosure agreement as a precursor to issuance of architectural drawings, building specification, timeline requirements, etc.

All applications will be processed via a point scoring matrix with a view to satisfying our unbiased procurement procedure.

Successful candidates will be contacted no later than 24th December 2017.
